

## Applying a Discount to the Tab

In this section follow the steps to apply a discount to your customer's Tab.

| Step | Action  |
|------|---|
| 1.   | Tap on the <b>DISCOUNT</b> button.  |
| 2.   | Tap on the desired discount amount for the Tab.   |
| 3.   | To double the discount, tap the <b>DOUBLE DISCOUNT</b> button and for normal discount tap on <b>NORMAL</b> . The discount will now appear in the Tabs <b>Subtotal</b> as well as <b>Total Due</b> amounts.<br><i>*Note: Discount and Double Discount Options Must be pre-set.</i> |

The screenshot illustrates the steps for applying a discount to a customer's tab. The main interface shows a customer's tab with items like 'Arroz con Lechuga' and 'Tinned Water'. A 'Discount' modal is open, showing various discount options. A '1' points to the percentage icon on the main screen. A '2' points to the 'Military 15.00%' option in the modal. A '3' points to the 'DOUBLE DISCOUNT' and 'NORMAL' buttons at the bottom of the modal.
