The screenshot shows a POS system checkout screen. At the top, it says "Checkout" and "Amount Tended: \$5.94". Below that, there are buttons for "Credit", "Debit", "Cash", "Pay by Invoice", "Gift", "Check", "PreCheck", and "Partial Payment". The "Cash" button is highlighted with a "2". To the right, there is a "Cash Pay Ref" section showing a total of \$5.94 and a cash payment of \$10.00, resulting in a change of \$4.06. Below this, there is a numeric keypad for entering the payment amount. The "PAY/ENTER" button is highlighted with a "3". At the bottom, there are buttons for "PRINT COPY" and "CLOSE", with the "CLOSE" button highlighted with a "4".
